- Nickel-chrome finish helps protect against corrosion and makes it easy to wipe wrenches clean
- 0° offset handle utilizes innovative Snap-on® design to transfer more power in less lateral space
- The 80-tooth ratcheting gear utilizes key elements of Snap-on® Dual 80® technology, minimizing swing arc when working in restricted spaces
- Patented ratcheting mechanism delivers up to 25% more torque and up to 95% more cycle life for ultimate safety and reliability
- Wrenches are manufactured from special alloy steel, precision forged and heat-treated for optimum strength and durability
