Scannez le code QR pour ouvrir la page produit.

- Removes radiator hoses from clamps and fittings
- Thin, wide blade style significantly reduces chance of puncturing and damaging hoses
- Long blade faces back towards handle so the hose can be "pulled" off
- Shorter blade pushes away from handle so the hose would be "pushed" off

- Nickel-chrome finished blades
- Instinct® handle provides maximum comfort and grip
- Blade style is unique to anything in the market (competitive products have sharp pointed tips)
