- Two-in-one tool that functions as a flex-head ratchet with an offset handle and a speeder
- Speeder provides the fastest way to manually tighten or loosen fasteners
- Flexible head provides better access in tight automotive applications
- Dual 80® Technology features seven teeth engaging the gear for added strength and durability
- Dual 80® Technology features a 80 tooth gear to provide 4.5° of swing arc
- Up to 25% less ratcheting arc to engage the next gear tooth
- Sealed head keeps lubricants in and contaminants out for longer life
- Contoured handle for comfort and control
