- Three position joint allows the pliers to keep the jaws parallel which increases the surface area contact with the work piece
- Talon Grip™ provides up to 57% increase in pulling power, with a relocated joint, optimized handle shape and diamond-serrated jaws
- Machined, hardened teeth are sharp and strong like file teeth in three different gripping geometries covering an aggressive tooth profile, heavy serrations and fine serrations at the tip
- Precision ground tips for gripping small items
- Precisely machined slot for effortless position switching and control
- Manufactured from special cold forged steel with a higher alloy content for greater durability and strength
- Shear cutter provides a smoother cut with less hand pressure
- Longer contoured cushion grip handle for increased comfort, control and leverage
- Three position patented joint (US Patent #8051749)
